

TE100/TE200 V3  
Release Notes

Yeastar Digital Technology Co., Ltd

## Firmware 61.0.0.9

**Date:** July 18, 2025

### Improvements

Added a configuration option **OPTIONS Response 200** (Path: **Gateway > VoIP Settings > SIP Settings > Advanced Settings**).

When enabled, the gateway always responds with **200 OK** to OPTIONS requests.
